Subject: Fwd: Ron and Debi Williams, Tanzania

Debi and I are now in the states on furlough. We are doing well. We have been pretty busy driving around the southeastern and south from Texas to Kentucky and back again. We are now close to Dallas and will be heading to San Antonio soon. We have been in several very good services. The churches we have been in have shown so much love. It has been nice hearing how many people were praying for us so much. We have heard from Tanzania. The church building is going up. The brick walls are at window height now. There is a chain link fence around the entire 1 1/3 acres. We still need to come up with about \$3000 to be able to finish off everything. So please pray about this. We love you all and thank you so much for being such an important part of this ministry.
